# "It Feels Good to do Good"

By: Alex Walker

I will find a way to make the world a better place every time I have a chance.  
The ones who have fallen into temptation, I will help them advance.  
I'll do good by being a leader, always able to lend a helping hand.  
Spread the goodness of my heart in the bad-land.  
But, I can't be the only one doing good, I ask for others to help as well.  
Time for you to reach out your arms and excel.  
It makes you feel warm inside, like you just saved the world.  
Just take it from me, it feels good to do good.
